

# IQ610

IP65 Wall mount enclosure  
for 1 or 2 panel meters

Manual – English 1.00

\* Panel meter not included

## Introduction

The IQ610 is a IP65 weatherproof wall mount enclosure for 1 or 2 panel meters. The IQ610 provides an easy solution to the installation and wiring of 1 or 2 panel meters (96 x 48).

The second panel meter can easily be installed by simply clipping the blocking plate away with a side cutter.

The IQ610 also has enough internal space for the mounting of other equipment such as a radio modem etc.

## 1 Features

- Weatherproof polycarbonate wall mount enclosure
- IP65 Protection rating
- Easy solution for installation and wiring of 1 or 2 panel meters
- Two 96 x 48 panel meters can be installed into a single wall mount enclosure
- A second panel meter can be installed by simply clipping the blocking plate away
- Enough internal space for mounting other equipment such as a radio modem etc.
- 1 year limited warranty

## 2 Dimension & Template Drawing

The second panel meter can be installed by simply clipping the blanking plate away with a side cutter.
